Core Facilities Day

On October 23, the Core Facilities of the Medical University of Vienna will celebrate 10 years of providing dedicated service to researchers and scientists at the Medical University of Vienna. Join us at the Core Facilities Day to learn more about the range of services offered as well as the top-notch technologies provided by the Core Facilities, talk to the experts, exchange with your colleagues and get a guided tour through the laboratories of the Core Facilities. We invite you to join us to this exciting event and look forward to meeting you on October 23.
